

## Articulation Agreement for GACoM

Global Christian University has assessed the transfer of the certificate program at Global Awakening College of Ministry (GACoM) (formerly known as CHCP and CPCP programs). These certificate courses mainly focus on four categories of practical ministry including: healing, deliverance, prophecy, and inner healing. The courses were assessed based on their course objectives, content, and metrics of assessment. Additionally units were assigned by the Academic Department based on the standard criteria of direct learning by the instructor in lecture or lab hours, student instructor interaction, lead instructor qualifications, textbooks with reading assignments, writing and homework, and level of coursework.

Many of the courses meet or exceed the qualifications for an undergraduate or graduate course. Some sequences of courses may be needed to fulfill the requirements of an equivalent course at GlobalU. One quarter unit at GlobalU requires a minimum of 10 hours of instructor directed lecture with an additional 20 hours of self-directed reading and learning.

A maximum of 45 quarter units at the undergraduate level can be awarded and a maximum of 9 quarter units at the graduate level can be awarded.
