

Articulation Agreement for GACoM

Global Christian University has assessed the transfer of the certificate program at Global Awakening College of Ministry (GACoM) (formerly known as CHCP and CPCP programs). These certificate courses mainly focus on four categories of practical ministry, including: healing, deliverance, prophecy, and inner healing. The courses were assessed based on their objectives, content, and assessment metrics. Additionally, units were assigned by the Academic Department based on the standard criteria: direct instruction by the instructor during lecture or lab hours, student-instructor interaction, lead instructor qualifications, textbooks with reading assignments, writing and homework, and the level of coursework.

Many of the courses meet or exceed the qualifications for an undergraduate or graduate course. Some course sequences may be required to fulfill the requirements for an equivalent course at GlobalU. One-semester unit at GlobalU requires a minimum of 15 hours of instructor-directed lecture, plus an additional 30 hours of self-directed reading and learning.

A maximum of 30 semester units at the undergraduate level can be awarded, and a maximum of 8 semester units at the graduate level can be awarded.
